EVIDENCE 01: INCIDENT REPORT & TIMELINE

Initial report summary and key timestamps

Case reference: FIC-MC-017/2026 | Fictional training scenario | Not real evidence

Incident summary

Meera Rao, age 9, is reported missing from Lakeview Community Park, Bengaluru, on 28 September 2026. Her mother, Nisha Rao, says Meera was last seen at approximately 18:18 near the park play area.

Timeline

• 18:18: Mother reports last seeing Meera near the play area.

• 18:24: Mother notices Meera is missing and begins searching nearby.

• 18:42: Police are notified in this fictional scenario.

• 19:06: Fictional FIR reference 318/2026 is recorded for the skit.

• Later review: A park camera and nearby traffic-camera coverage are identified for review. The records in this pack are simulated props.

Initial actions

• Search the immediate play area, exits, toilets, and nearby paths.

• Preserve original CCTV exports and document who collected them, when, and from which device.

• Record witness accounts separately and avoid leading questions.

• Escalate urgently because the missing person is a child; do not wait for an AI score.

Known limitations

The scenario contains no real source video, audio, or verified witness accounts. Times and events are fictional and designed for performance.

Integrity notice: This document is a fictional prop for a classroom skit. It is not an actual police record, forensic report, CCTV export, audio recording, or witness statement. Descriptions and transcripts below are simulated.
