EVIDENCE 03: SHOP AUDIO TRANSCRIPT

Illustrative transcript only; no source audio supplied

Case reference: FIC-MC-017/2026 | Fictional training scenario | Not real evidence

Source description

A fictional shop recording is said to contain indistinct conversation and background street noise around the relevant period. No real recording was provided for transcription.

Simulated transcript

[18:20:00] Background traffic and shop ambience. [18:20:08] Unidentified voice: “[inaudible] … this way.” [18:20:12] Second unidentified voice: “[inaudible].” [18:20:17] Footsteps / movement noise. [18:20:22] Recording continues with indistinct background speech.

Interpretation limits

• The words above are invented placeholders for the skit and must not be presented as an authentic transcript.

• Voice identity, emotion, intent, and speaker count cannot be reliably established from this fictional text.

• Even with genuine audio, speech recognition output must be checked against the original recording by a competent reviewer.

Required metadata for real evidence

Original file name, device and owner, recording start/end time, extraction method, hash value, any enhancement steps, transcription method, reviewer identity, and uncertainty markers.

Integrity notice: This document is a fictional prop for a classroom skit. It is not an actual police record, forensic report, CCTV export, audio recording, or witness statement. Descriptions and transcripts below are simulated.
